Class 06 Overview – Python Exam Preparation Begins

Alhamdulillah!

We've officially started our Python exam preparation in 6th class of Python Programming (Quarter-3, Batch-1) at Governor House on Monday, April 14, 2025, under the Governor Sindh Initiative for Gen AI, Web3, and Metaverse.

We're practicing Chapters 1 to 9 using the Python Collab GitHub Notebook.

▮ — a strong revision round before the final exams!

- ⬧ Solidify fundamentals
- ⬧ Practice syntax and logic
- ⬧ Reinforce concepts across chapters

Special thanks to our mentors/faculties:

- ⬧ **Ameen Alam**
- ⬧ **Asharib Ali**
- ⬧ **Zia Khan**

Excited to continue this amazing journey toward mastering Python and AI!
